

St Cecilia Christmas Boutique 2021

The Christmas Boutique is a Christmas shop created for your children to pick out presents for family, friends, and special people in their lives. It is their chance to surprise their loved ones on Christmas morning. This event is run 100% by volunteers and all profits go to the school.

Beginning at 8:20am, each grade will come through the Boutique for 30 minutes. During that time, the children will select and purchase gifts, with help from parent volunteers. TK and Kindergarteners will have their buddies helping them at the Boutique. By the end of the day, your child will have wrapped and tagged presents for the whole family!

Items range from toys, accessories, jewelry, scarves, hats, socks, mugs, candles, ornaments, and much more. We have special hand-made crafts: knit hats for kids and adults, bath scrubs. Beautiful scrunchies, personalized ornaments. All items at the Boutique are \$1 to \$5 with most items at \$3.00.

*Each child should bring a large tote bag (any shopping bag with handles), the Student Shopping List (will be sent home next week), and money. The amount of money is up to the parents. As a guide, I would suggest about \$3 per person on the child's list. **Small bills are appreciated!** For the younger children, we suggest putting the money in a plastic ziplock bag with the student's name, grade, and room number written clearly on it.*
